# exploding boomerang direction

1. Place the green stick at the top of the frame. Place the blue stick at about a 45 degree angle.
2. Take the yellow stick and place it on the other end of the blue stick, with the opposite end pointing towards the center of the green stick.
3. Tuck the red stick under the blue stick (but still over the yellow stick).
4. Tuck the other end of the red stick under the end of the blue stick.
